## COMMUNITY SCHOOL RECONFIGURATION UPDATE

**UPDATE C-004**

**JUNE 12, 2009**

TO: Parents, Guardians, and Community Members

FROM: William Luna, Director  
Administrative Services/Assessment & Evaluation

### Adopted Boundary Map and School Reconfiguration Update

Attached is the official boundary map adopted by the Governing Board at the June 11, 2009 regular Board meeting. An enlarged copy of the map will be displayed at affected school sites early next week.

To further assist parents and guardians in determining what attendance area they reside in, student attendance lists are being generated. To protect student confidentiality, student identification numbers will be used instead of student names. These lists will be available by June 18 for posting at school sites and on the District web page.

Transportation schedules are being developed for Amy Blanc Elementary students who will attend either Rolling Hills Elementary or David Weir Elementary, and for H. Glenn Richardson students moving to Tolenas Elementary School.

Open Enrollment procedures are being updated and once finalized, will be posted to the District web page also.

Thank you for your continued patience and support as we work through these difficult economic times together.
